

Mark Twains Autobiography (Dodo Press)

Samuel Langhorne Clemens (1835-1910), better known by the pen name Mark Twain, was an American humorist, satirist, lecturer and writer. Twain is most noted for his novels *The Adventures of Tom Sawyer* (1876) and *Adventures of Huckleberry Finn* (1885). He is also known for his quotations. His first important work, *The Celebrated Jumping Frog of Calaveras County*, was published in 1865. His next publication was *The Adventures of Tom Sawyer*, which drew on his youth in Hannibal. The character of Tom Sawyer was modeled on twain as a child, with traces of two schoolmates, John Briggs and Will Bowen. His next major published work, *Adventures of Huckleberry Finn*, solidified him as a noteworthy American writer. Some have called it the first Great American Novel. *Finn* was an offshoot from *Tom Sawyer* and proved to have a more serious tone than its predecessor. The main premise behind *Huckleberry Finn* is the young boys belief in the right thing to do even though the majority of society believes that it was wrong.
