

## Bride for the Werewolf (Werewolf Erotica)

When the young women of the secluded village reach the age of 18, some of them are taken away into the woods to be sacrificed to the werewolves. Violet is one of those girls. She's taken to the woods by her father, where she believes she will be sacrificed. However, she learns that she isn't taken to be killed. Rather, she's being delivered to the werewolf tribe that lives in the woods to become a bride to a werewolf.

She begins to detest her fate, until she sees the hunky man waiting for her in the werewolf village. Now all she has to worry about, is if she'll be able to withstand all of the pleasure from the sexy stud after the ceremony.
