

# Talmid: Bread (ImmanuEl) (Volume 6)

One month ago, Yuannan left his fishing boat and his family to become Yeshuas disciplehis talmid. Now Yuannan embarks on a journey in Yeshuas footsteps, a journey across Palestine and into the realm of the unexpected. At first, following Yeshua seems like the right thing to do, the only thing to do. After all, hasnt Yeshua proven himself to be the Messiah, the Liberator for whom Israel has long been waiting, the King who inspires Yuannans dreams? All the signs say yes, beyond a doubt. As the months go by, however, Yuannans journey takes a turn into darkness when he faces a series of crises that force him to question his impulsive decision. Yeshua is undeniably powerful, but he cant be trusted. Yuannans dream has turned into a nightmare, and there is no one who can wake him up. The TALMID Trilogy (Water, Bread, and Blood) is part of the ImmanuEl series, novels written from the perspective of the men and women who walked with Jesus along the dirt roads of Galilee two thousand years ago.
