

MCITP Self-Paced Training Kit (Exam 70-647): Windows Server Enterprise Administration

Announcing an all-new SELF-PACED TRAINING KIT designed to help maximize your performance on 70-647, a required exam for the new Microsoft Certified IT Professional (MCITP): Enterprise Administrator certification. This 2-in-1 kit includes the official Microsoft study guide, plus practice tests on CD to help assess your skills. It comes packed with the tools and features exam candidates want most including in-depth, self-paced training based on final exam content; rigorous, objective-by-objective review; exam tips from expert, exam-certified authors; and customizable testing options. It also provides real-world scenarios, case study examples, and troubleshooting labs for the skills and expertise you can apply to the job. Focusing on Windows Server 2008 enterprise administration, topics include planning networks and application services; designing core identity and access management components; planning for migrating, upgrading, and restructuring domains and forests; implementing PKI; and designing virtualization strategy. Work at your own pace through the lessons and lab exercises. Then assess yourself using 300+ practice and review questions on the CD, which features multiple, customizable testing options. Choose timed or untimed testing mode, generate random tests, or focus on discrete objectives. You get detailed explanations for right and wrong answers including pointers back to the book for further study. You also get an evaluation version of Windows Server 2008 Enterprise Edition and an exam discount voucher making this kit an exceptional value and a great career investment. Key Book Benefits: In-depth coverage of exam objectives and sub-objectives plus instructive case studies and troubleshooting scenarios to enhance your performance on the job 300+ practice and review questions Test engine that enables customized testing, pre-assessment

and post-assessment, and automated scoring and feedback Handy exam-mapping grid Evaluation version of Windows Server 2008 Enterprise Edition 15 percent exam-discount voucher from Microsoft (limited time offer) Entire study guide in searchable eBook format
