

MCSA/MCSE Self-Paced Training Kit (Exam 70-291): Implementing, Managing, and Maintaining a Microsoft® Windows Server™ 2003 Network Infrastructure: ... Infrastructure (Microsoft Press Training Kit)

Announcing an all-new MCSA/MCSE Training Kit designed to help maximize your performance on Exam 70-291, a core exam for the new Windows Server 2003 certification. This kit packs the tools and features that exam candidates want most including in-depth, self-paced training based on final exam content; rigorous, objective-by-objective review; exam tips from expert, exam-certified authors; and a robust testing suite. It also provides real-world scenarios, case study examples, and troubleshooting labs for skills and expertise that you can apply to the job. Focusing on network infrastructure management for Windows Server 2003, this official study guide covers topics such as implementing, managing, and maintaining IP addressing, name resolution, network security measures, routing and remote access, and monitoring and troubleshooting network infrastructure. Ace your exam preparation and ramp up quickly on Windows Server 2003 by working at your own pace through the lessons, hands-on exercises, and practice tests. The flexible, best-of-class test engine on CD features 300 practice questions and pre-assessment and post-assessment capabilities. Choose timed or untimed testing mode, generate random tests, or focus on discrete objectives or chapters, and get detailed explanations for right and wrong answers including pointers back to the book for further study. You also get a 120-day evaluation version of Windows Server 2003 and a 15 percent exam discount voucher making this kit an exceptional value and a great career investment. A Note Regarding the CD or DVD Assess your skills with practice tests. You can work through hundreds of questions using multiple testing modes to meet your specific learning needs. You get detailed explanations for right and wrong answers including a customized learning path that describes how and where to focus

your studies.
