

MCTS Self-Paced Training Kit (Exam 70-653): Configuring Windows® Small Business Server 2008: Configuring Windows Small Business Server 2008 (Microsoft Press Training Kit)

Announcing an all-new SELF-PACED TRAINING KIT designed to help maximize your performance on 70-653, the required exam for the new Microsoft Certified Technology Specialist (MCTS): Windows Small Business Server 2008, Configuration certification. This 2-in-1 kit includes the official Microsoft study guide, plus practice tests on CD to help you assess your skills. It comes packed with the tools and features exam candidates want most including in-depth, self-paced training based on final exam content; rigorous, objective-by-objective review; exam tips from expert, exam-certified authors; and customizable testing options. It also provides real-world scenarios, case study examples, and troubleshooting labs for the skills and expertise you can apply to the job. Work at your own pace through the lessons and lab exercises. This official study guide covers deploying hardware and software for Small Business Server servers, migrating to Small Business Server 2008, joining computers to the domain, modifying Remote Web Workplace and RAS, and working with Microsoft Windows SharePoint Services and Microsoft Exchange Server technologies. Then assess yourself using 200 practice questions on the CD, featuring multiple, customizable testing options to meet your specific needs. Choose timed or untimed testing mode, generate random tests, or focus on discrete objectives. You get detailed explanations for right and wrong answers including pointers back to the book for further study. You also get an exam discount voucher making this kit an exceptional value and a great career investment. A Note Regarding the CD or DVD Assess your skills with practice tests. You can work through hundreds of questions using multiple testing modes to meet your specific learning needs. You get detailed explanations for right and wrong answers including a customized learning

path that describes how and where to focus your studies.
