

# MASTER IS UNHAPPY (Very Rough First Anal Sex for the Submissive): A Domination Erotica Story (BRUTAL FIRST ANAL SEX ENCOUNTERS Book 1)

Marnie is in pretty significant trouble. She let things get a bit out of hand during her sex show, and this submissive sex worker has really, really angered her Master. He's ready to teach her to be more careful with his property, and in this case the submissive training is going to be terrible. Very, very rough deep throat, a humiliating spanking, and perhaps worst of all a brutal first anal sex experience. How is it that Marnie can handle everything Arthur sends her way? And how is it that even as tears of humiliation are running down her cheeks and pain is running through her, she can't help but love the abuse? Warning: This ebook contains very explicit descriptions of a very rough first anal sex encounter. It includes domination, submission, very rough deepthroat, very rough spanking, humiliation, and semen swallowing. It is intended for mature adults who won't find sex acts between consenting adults offensive. Here is a preview: He stepped up to me suddenly and grabbed my arm, twisting it violently. What the fuck do you think you were doing out there? I stuttered and finally stammered out a response. I, uh, I was just doing the performance. He held up a hand, anger so clear in his eyes that it scared me more than I'd been scared by Happy Reindeer Boys' charge. Are you trying to get yourself killed? I began to shake my head, but he put his hand up again. Just stop talking, Marnie. Who the fuck do you think you are? You don't get to decide when you live and die anymore! I'm your master, goddam it. I own you. What the fuck were you doing? It was at that moment that I got angry. I almost die every single goddam day at work, Arthur! You made me fuck that guy, and that's how it works when I fuck animals like him. I could die any fucking time, and it never bothered you before. There was nothing happy about that so-called Happy Reindeer Boy. I fucking passed out! Did you get your precious money, Master? I said that last

word with about as much sarcasm and vitriol as I could muster. Arthur looked at me and his face went from angry red to white, and I realized I'd just crossed a line. I noticed he had a little notebook in his hand, and he turned very slowly and put it on the nightstand next to the bed. He didn't say anything, just stared at me as he began undoing the buttons on his shirt. I didn't know what to say or do. I'd fucked massive men who could snap a person in two without even exerting effort and I just faced death in the form of a performance artist in a fucking reindeer costume who had no trouble fucking me like he was going to kill me. Nonetheless, I had never been so frightened, so absolutely paralyzed before.
