

A Wicked Swingers Weekend Box Set: All Three Episodes! (First Time Bisexual Swinger Contemporary Romance): All Three Episodes Value Priced

(If you enjoyed Steamy Swingers, you'll LOVE The Houseguest!) His pal ticks her off until he turns her on! Gus has been Maggie's husband's best buddy since college. She can't stand him. He's obnoxious and loud, and his sense of humor needs its mouth washed out with soap. Good thing he lives on the other side of the country. When he gets a transfer and Phil opens the house to him, Maggie has plenty to be pissed off about. As far as Gus is concerned, Maggie was a prissy princess in college and hasn't changed a bit in the last six years. Maybe it was the hot sun by the pool, maybe it was all the wine. Whatever the cause, passionate anger morphs into something else and Maggie starts to get some ideas on how to put this guy in his place. Wanton, filthy ideas. Just when Phil and Maggie (and GUS!) are as hot as an erupting volcano, all fired up and raring to go, there's a knock at the door. Argh! It's Sophie, Maggie's bestie. And when she enters the fray, all bets and all clothes are off! They say when you're scared and excited, it's a thrill. Maggie and Phil have no idea just how thrilling a time they're in for. It's a hot summer long-weekend frolic all around!
