

Mountain Light (Golden Mountain Chronicles)

Their families fought one another for generations, maintaining an age-old blood feud. But that changed when they found themselves on the same side of a new struggle against the tyrannical Manchu dynasty. By devoting himself fully to the revolution, Squeaky Lau wins Cassias trust -- and her heart. But winning Cassias love is not enough. Now Squeaky must prove his worth as a man -- to Cassia, to his villa village, and most importantly, to himself. And the only way he can do that is by giving up everything he has worked for and traveling to the Land of the Golden Mountain, the place foreign demons call America.
