Standing in the middle of the room in each others arms her tongue met mine. With a breathless gasp she finally pulled away from me and sat on the bench behind us. I followed her and knelt on my knees in front of her. She looked amazing in the pale pink bra and panties she wore, and her blond hair fell over her shoulders like silk. I wasn't sure this was what she wanted, but this was certainly what I wanted. I eased her legs apart not noticing the glances from the other women in the room. My tongue reached for her swollen pussy lips, not really surprised to find her pretty pink pussy shaved and waiting for me. Running my tongue up and down her lips, I dove my face between her legs with desire. She tasted sweet, like a piece of watermelon candy as I tasted the opening of her pussy. Pulling her clit into my mouth I sucked gently, running my tongue in circles around it until she reached for my hand. Taking my hand and directing it towards her pussy, she used her other hand to pull my head deeper into her mound. I inserted two fingers inside her and slid them as deep as I could reach into her. My face now covered in her pussy, I pushed my fingers in and out until both of her hands grabbed the top of my hair and pulled me further into her clit. I tasted her cum as I withdrew my fingers from the silky pink pussy before me. I kissed the top of her pussy with a sweet kiss, and put both hands on either side of her to lift myself from my

kneeling position.
