

MyManagementLab with Pearson eText -- Access Card -- for Management

MyManagementLab MyManagementLab is an easy-to-use system that allows you to assess your students progress and adapt course material to meet the specific needs of your class. With MyManagementLab students get the extra reinforcement they need while you spend more time teaching and less time reviewing basic concepts! O Customized Study Plans. Students receive a custom study plan to help them remediate important concepts and applications. Study Plans correlate to the Learning Objectives in the textbook and build remediation through Blooms Taxonomy. O E-book. A full digital version of the book is available for students to read along as they are studying online. O Video Activities. Students watch a video case, and then answer the discussion questions that follow. O S.A.L. (Self-Assessment Library). The popular self-assessment library designed to give students insights into their abilities, skills, and interests. O R.O.L.L.S. The Robbins On-Line Learning System, which gives students a chance to understand key management concepts, themselves (self analysis), and how to apply those concepts.
