

Video Program for Algebra Foundations: Basic Math, Introductory and Intermediate Algebra

The NEW Bittinger Video Program, available in MyMathLab and the Bittinger Video Program on DVD, includes closed captioning, and the following videos: *NEW! To-the-Point Objective Videos *Concise: Videos get right to the core of each concept. *Objective based: Simple navigation lets users view a whole section, choose an objective, or go straight to an example. *Interactive: Your Turn Video Checks let students pause to work problems and check answers. *Integrated: Designed for use with MyMathGuide: Notes, Practice, and Video Path. *Chapter Test Prep Videos *Guided: Contain step-by-step solutions for every problem in the End of Chapter Tests in the textbook. *Readily Accessible: Also available on YouTube.
