Young, beautiful, and untouched Willow Woods has always been a hard-luck girl. So naturally, she thought landing the dream position of being a maid for the affluent Murkgreed family seemed too good to be true... And indeed it was as one day the woman of the house, Lady Murkgreed, bitterly informs the shy, inexperienced Willow that her services are being terminated. A ripe, juicy scandal has tarnished the fanciful girls reputation for good, and she is left with nowhere to go and no one to turn to. However, when she stumbles across the mysterious Lord Murkgreed later that day... Willow develops a plan to exact revenge on the offensive Lady Murkgreed. It just so happens to involve the handsome lord, his large manhood, and one unforgettable experience... But, Willow soon discovers that her treachery comes with a heavy price... as Lord Murkgreed, the strict and stern man, has a lusty plot all of his own. Will she regret this dangerous game of deceit before its too late?
