

Jacie Gets Punished: Taboo Erotica

Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble *like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader. Believe me, Jacie Gets Punished was not my first choice for this book. But dont worry! This erotic story still features all the good stuff inside - naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned... Eighteen year old Jacie loves to taunt the man in charge with her defiant ways and short skirts. One night, she pushes Kyle too far and he decides this little brat needs a lesson in manners. But when his punishment leads to a spanking, the heat of the moment reveals that the sexual tension between them may just leave her begging for more. J.C.
