

## More Naughty Victoriana

In this follow up anthology to the popular Naughty Victoriana, The Forlorn Press delivers five more novels of vintage erotic fiction. As is to be expected of the erotica from that era, there is plenty of spanking, bondage, and much more. This collection is spiced up with a selection of period erotic photographs and artwork to enhance the reading experience. Contents include: Venus in Furs by Leopold Von Sacher-Masoch Mays Account of Her Introduction to the Art of Love by Anonymous The Way of a Man with a Maid by Anonymous Arabella by Anonymous Autobiography of a Flea by Stanislas de Rhodes
