Eagles in the Flesh

Enter the sky, riding a wild stallion, while galloping from cloud to cloud, weightless and free. Experience flying like eagles, over white mountain peaks and lost green jungles, dance upon mother natures updrafts. See what happens when she is push too far and sucks pilots into her white cloud bosom. Meet Dogz a crazy Cherokee Indian medicine man, who constantly drags the scene, to places your mom, told you not to go. Encounter CG the man in control; or so he thinks, until he find himself thousands of feet above the earth, strapped to a broken tumbling wing, stuck in gravitys control, falling towards his fate. Next is the author EK whos actions cause insurance companies to cringe, as he tells of his life beyond the edge of the atmosphere. The atmosphere where he seduced by Mistress Nature and succumbs to her absolute power. In this non fiction book he attempts to write some semblance of sanity around sin and debauchery, friendship and death, finding sanity completely insane. An outrageous true life adventure book, that bonces off the edge of a clouds like an emotional pinball game. If you need adventure, if you want adventure, if you crave adventure, then jump in with both wings, flying free to a world up in the sky.
