

## 101 3-4 Stunts

Offers over 100 different 3-4 stunts to help coaches at any level of competition turn pass blocking into a guessing game while helping to lessen the reliability of hot reads and limiting the number of pass receivers that the offense can put into a pattern while still safely protecting the quarterback. Each stunt is thoroughly diagrammed and described to make implementing them a snap! Covers basic principles of blitzing, zero coverage stunts, cover 1 and cover 2 stunts, zone coverage stunts and more.
