

## No Weapon: Good News Series - Volume 2

NO WEAPON is the second book in the GOOD NEWS SERIES. Some time has passed since ENOUGH GOOD NEWS and Sidney has settled into her new family, new job and new church. She soon discovers however that all that glitters isn't gold and everyone talking about heaven ain't going. Weak church leaders fall easily under the influence of dark forces targeting Sidney. These men of God begin to spread lies and false rumors about her to everyone who will listen. They turn most of her family and friends against her not realizing that they are leaving their own families and congregations open for the destruction they have planned for Sidney. It is with all this going on that God seems to be nowhere in sight, but don't worry... God is not mocked, and sometimes He provides help in the most unexpected ways.
