

Angel Slayer (Mills & Boon Nocturne)

All her life Eden Campbell had dreamed of angels. But none of them prepared her for the fallen angel who attacked her. A muse, Eden was now to bear her attacker's offspring — one who promised the apocalypse and foretold her death. Where else could she turn but into the arms of mesmerizingly handsome angel slayer Ashur? But Ashur's protection comes at a price. Ashur is no man, and no angel. He's all demon. Called from Beneath to kill Eden's attacker, he could commit every sin possible but is forbidden from falling in love. Although Eden may be about to make him cross the ultimate boundary.
