

Now You're Speaking My Language

Overview What are you communicating to each other? Does your spouse hear what you say but not what you mean? Are you tired of misunderstandings and conversations that go in circles but get you nowhere? Do you long for a marriage where honesty clears the air in your home, making your relationship with each other and with God a more seamless, less tiring experience? The secret is in seeking to truly know the person you married. And in the real-life flow of this audio book, you'll find this out and more. You'll unravel the mystery of your differences. You'll plumb the well of your mate's emotions. You'll discover the plan God had in mind when He put you together. That's what happens when you start speaking each other's language.
