

On Every Play Eleven Men Believed: The Story of How the St. Louis Rams Rose from the Cellar to the Super Bowl

Before the 1999 NFL season began, prognosticators did not list the St. Louis Rams among the teams favored to make the playoffs. The 1999 St. Louis Rams can now be listed as division champions, NFC champions, and Super Bowl champions. To commemorate this record-setting season, the St. Louis Post-Dispatch has compiled a book full of columns, articles, and photographs which follow the Rams from training camp in August of 1999 all the way to their win in Super Bowl XXXIV.
