

## Parenting (Opposing Viewpoints)

Each title in the highly acclaimed Opposing Viewpoints series explores a specific issue by placing expert opinions in a unique pro/con format; the viewpoints are selected from a wide range of highly respected and often hard-to-find publications.; This title explores numerous aspects of parenting, including how should parents discipline children; how should parents motivate children; if some forms of parenting put children at a disadvantage; and if parents are liable for their childrens actions.; Each volume in the Opposing Viewpoints Series could serve as a modelnot only providing access to a wide diversity of opinions, but also stimulating readers to do further research for group discussion and individual interest. Both shrill and moderate, th
