

We the People: The U.S. Governments United Response Against Terror (United We Stand)

Focuses on how the U.S. government stood united in its condemnation of the largest terrorist attack ever perpetrated on U.S. soil. This new series spotlights the valiant efforts, personal sacrifice, and cooperative spirit that characterize Americas response to the events of September 11, 2001. Each book focuses on how organizations, professionals, and ordinary citizens responded to the September 11th national crisis, and provides historical examples of how our nation has responded in other times of crisis.
