

Out of Darkness

David Padgett, an outstanding pastor, bestselling author, motivational speaker, or serial killer? His past is about to catch up with him. Handsome, talented and charismatic, David pastors Grace Tabernacle, one of the largest churches in the world. But the man whose burning desire was to build a mega church for Christ has fallen victim to worldly pursuits. Now the secret David kept buried over the years as he built his ministry is about to be revealed. He is implicated in the mysterious deaths of Ellen Ridgeway, an assistant at his church, and Linda Darby, a prominent member. As the investigation continues, David is arrested. Charged with one murder, he quickly becomes the suspect in unsolved murders in cities where he spoke in the past. The secret he protected so carefully is exposed. It seems to David as if everyone, including God, has turned their backs on him. His soul plunges into the dark abyss he feared for so long. Yet God isn't through with David. He is about to bring His servant out of darkness into His marvelous light.
