

## Palmistry Box: Reading Hands for Fun

Am I going to find love? Will I live a long and healthy life? What career should I choose? The answers to these questions and more are at your fingertipliterally! Learning palmistry is easy with this fantastic system designed for beginners. Each line on the palm is shaded a different color in the book, so you can easily identify the line connected to the theme you are interested in, then find out what it means. Use the hand-print roller and inkpad enclosed to copy the palms of your friends and family, then read their palms with confidence!
