

Bundle: Spanish for Medical Personnel Enhanced Edition: The Basic Spanish Series, 2nd + iLrn(TM) Heinle Learning Center, 4 terms (24 months) Printed Access Card for Spanish for Medical Personnel

THE BASIC SPANISH SERIES, BASIC SPANISH FOR MEDICAL PERSONNEL, Enhanced Second Edition, is a communication manual designed to serve those in the medical professions who seek basic conversational skills in Spanish by presenting everyday situations that medical students, pre-professionals, and professionals may encounter at work settings such as hospitals, emergency rooms, doctors offices, and clinics when dealing with Spanish-speaking patients and personnel in the United States. This worktext provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the BASIC SPANISH core text.
