

The Vikings Son Book 3 (The Viking Series) (Volume 3)

Donaldinas mother died when she was four, or so her father said. She suspected something was amiss but never knew what, and now that she was old enough, her father was determined to marry her off. Always before, she managed to waylay his wedding attempts, and when Laird Wallace MacGreagor came to buy spices from her clan, she fully intended to avoid it this time too.
