

European Economic Community Competition Law Handbook 1990

This reference work draws together facts and material from a wide variety of sources, enabling business advisers and legal practitioners dealing with competition matters to locate relevant information quickly. It includes full alphabetical and chronological lists of all Commission Decisions and Court Judgements according to reference, subject matter and product; full lists of fines imposed by the Commission; the complete texts of the legislation including all Block Exemptions and the latest available draft Merger Regulation, and other basic texts used in the practice of EEC competition law.
