

Pennsylvania 1

Pennsylvania is a short story, 16,500 words (about forty five pages,) and it is the first in the Pennsylvania series. Jedidiah Troyer is now a traveler. He has signed up for an emigration program that is colonizing the planet of New Pennsylvania. He just wants to start a farm and homestead on affordable land in a new Amish community. Space pioneering isnt as easy as it sounds when youre plain. Things might work out for Jed... if he can ever get to his new home.
