

Practical Palmistry

Unlock the secrets of your own palm and amaze your friends with predictions and insights. Life-size, interactive hand illustrations enable you to easily identify your personality type. Simply place your hand over the images presented to find the best match. Now you are ready to turn to the corresponding sections to discover what your hand tells you about romance, career, children, health, and wealth. Practical advice and clear diagrams help you interpret the lines and intricate markings found on palms and fingertips. Discover how your relationships will progress, learn to make the most of your strengths, increase your intuitive powers to help yourself and others, and much more.
