

Internet Anywhere (Bk/Disk)

A book/disk package that enables Windows/PC users to connect to the Internet at the click of a mouse button. It makes the two most popular Internet applications, E-mail and the Usenet News, available to the novice PC user. Offers a special edition of the \$149.00 communications software package, Internet Anywhere. Includes automatically pre-configured software that provides easy access to the Internet for 30 days.
