

Directory of Research Grants

A treasure chest of information on more than 5,800 current programs from over 2,000 sponsors, including U.S. and foreign foundations, corporations, government agencies, and other organizations. Find grants for basic research, equipment acquisition, building construction/renovation, fellowships, and 23 other program types. Government grants include CFDA, NSF, and NIH program numbers. Each record includes grant title, description, requirements, amount, application deadline, contact information (phone, fax, and email), Internet access, sponsor name and address, and samples of awarded grants (when available). Three indexes - subject, program type, and geographic - help you to identify the right program quickly.
