

Atlantean Rune Power Course - Volume Three

This is not the common runic course you will find online, it is Atlantean Runic Sorcery based on the most effective Runic Magic ever offered. It is not a system of Divination, it is about generating power directly from Atlantean Thule and Odin himself. It is the ultimate hybrid using the unique Thule 18 Runes, Modern Ritual Magick, and Interdenominational Rune Realms only accessed in this unique Thule System. This is not the old fashion Armanen or outdated Von List systems, It far surpasses these primitive systems with new techniques to access the inner most power of the runes. The Runes are a complicated system with vast inner realms of power, few understand and even fewer are able to contact, directly connected to Atlantean consciousness and the Atlantean Norse Gods and Goddesses. Connecting to all these realms of power takes special training only this course offers. This course has been proven with 25 years of use by over a thousand users. This system is the only magical system that can be used anytime, anywhere, by using words of power and covert hand positions. Runes are not for everyone, it requires a superior level occult scientist that is willing to deal with one of the most potent forces in the universe. Runes are so powerful, they often warp the consciousness into evil realms. This system is about PURE ATLANTEAN energy, not the lower German systems. These lower systems produced nothing but destruction of the users. That is why these are often offered online for free. Worthless systems that lead you into the abyss of evil. This is a perversion of the awesome streams of Atlantean Thule Empowerment energies. This system takes you deep into the inner realms of the runes where the ultimate power lays. Most courses are nothing but a rehash of the same old practices, not serious sorcery like this course offers. Runic energies come from the realms of creation and are connected to

the Thule - Atlantean streams of consciousness, not just pagan god forms. The Runes can easily deal with common daily problems of protection, wealth, love etc. They can also be used for anything else of your choosing, there is no limit to the uses of the runes. If you are an Elite Occult Scientist seeking realms of power beyond the common junk offered by other systems, this is the sorcery course for you. It requires only a few basic supplies. Most rituals are done through a system of words of power and body and hand energy forms, to draw in and then project awesome energies, it is a kind of Atlantean Chi Kung, when used properly. This is simply the finest Runic Sorcery system ever offered. Now, in Three professionally formatted and edited full color over sized editions! This new edition is also a Mysterious Book of Masters with rare powerful Sigils that assist you in making direct contact with the Runes themselves like nothing else can.
