

## Reunion: A BBW Interracial High School Reunion Story

Cassandra has a chance to make up for the years of angst that plagued her in high school. She runs into Darryl, the star quarterback, at their high school reunion. They hit it off, and Cassandra quickly realizes that she's not the shy, awkward girl she used to be. With the feeling that you only live once, they take full advantage of the moment, finding time to unleash their raw attraction for each other in various places throughout the school. The make out hall and football locker room will take on new meaning when Cassandra unleashes years of sexual frustration and horniness on Darryl.
