

Knocking Up The Bride (Her Mind, His Control Book 3)

One glance at his member, and she was hooked. Marissa's big day is today she's finally getting married to the man of her dreams! She loves everything about her husband-to-be except for his weirdo brother, Vincent. Vincent is a giant nerd, always getting in the way and, as far as Marissa is concerned, is probably destined to never have sex. But then Vincent arrives in her dressing room and immediately drops his pants. Marissa would have been disgusted, normally, but instead she cannot turn away. Vincent's virile manly member is mesmerizing. When she looks at it, her entire brain starts to rearrange to become what Vincent wants. Soon she finds out that what he wants more than anything is to give her fertile body a completely unprotected wedding gift.
