

Rewinder (Rewinder Series)

You will never read Denny Youngers name in any history book, but the world as you know it wouldnt be the same without him. Denny was born into one of the lowest rungs of society, but his bleak fortunes changed the day the mysterious Upjohn Institute recruited him. The role: verifier of personal histories. The job title: Rewinder. After accepting the offer, Denny discovers hell have to do his research in person by traveling through time. Using a device capable of opening a portal into any era from the past, Denny is sent back to serve as an eyewitness to significant moments in human history. But as he journeys across the centuries, he begins to suspect that his missions to observe and report have a much darker purpose. When a time jump drops Denny into the midst of a rebellion, he finds himself in over his head in a deadly game where even the smallest choices can have catastrophic consequences. Armed only with his wits and his time-travel device, Dennys adventures take readers on a pulse-pounding journey of page-turning twists. But will everything hes got be enough? Revised edition: This edition of Rewinder includes editorial revisions.
