

ROMANCE: Uncaged Passion (Mixed Martial Arts BWWM Romance) (Contemporary Alpha Male BWWM Short Stories)

Felicia Wallace thought that her boyfriend Brock was what all men should be. He was caring, compassionate and showed her the kind of respect that put her on a pedestal. That all changed when she came home to find that the dog walker and Brock had decided to see if they had more in common than just their love of animals. He claims that it was a one time thing, but her friend Laura tells a different story. Upon hearing about his constant infidelities, she finally breaks up with him and goes to an MMA fight with Laura to get over her cheating boyfriends ways. She doesnt like the pugilistic art of boxing, but this one on one kind of combat is something that makes her sit at the edge of her seat. She spies Jason Fox and knows that there is something that makes him almost irresistible. Can she breakthrough the icy exterior of a heart they had been broken too many times to count? Does Jason know what true love is and is he destined to find out through the eyes of Felicia? **WARNING:** This ebook contains mature content and language. Intended for 18+ readers only!
