

Bran the Blessed (The Stones of Song) (Volume 3)

Sixteen year old Brandon Stone hasn't always made the right choices in life, but he's never found himself in quite such deep trouble as this. A little white lie so he can go out to celebrate a football win with his team mates quickly turns sour when he finds himself waking up the next morning in the hayloft beside his girlfriend, with an awful hangover and no memory of what happened the night before. But even though his life seems wrecked forever, Bran still has a high calling to answer, if he can find the courage.
