

## Footynotes

This book is the result of many Friday evenings during the football season when Chris Kamara, preparing himself for commentaries the following day, and Richard Digance met up for a few beers and long chats about the sport they love. Either at Richards house in the south when Kammy was at Frattan Park or St Marys the following day, or at Kammys house in Wakefield where Richard would stop off en route to filming his numerous appearances on Channel 4s Countdown, they began piecing together the content for this book of football trivia.
