

## Gentlemen

This debut YA novel combines the wrong-side-of-the-tracks edginess of books like *THE OUTSIDERS* and *FREAK THE MIGHTY* and the searingly honest storytelling of authors like Chris Lynch and John Green. Micheal, Tommy, Mixer, and Bones aren't just from the wrong side of the tracks--they're from the wrong side of everything. Except for Mr. Haberman, their remedial English teacher, no one at their high school takes them seriously. Haberman calls them gentlemen, but everyone else ignores them--or, in Bones' case, is dead afraid of them. When one of their close-knit group goes missing, the clues all seem to point in one direction: to Mr. Haberman. Gritty, fast-paced, and brutally real, this debut takes an unflinching look at what binds friends together--and what can tear them apart. Michael Northrop is the New York Times bestselling author of *TombQuest*, an epic book and game adventure series featuring the magic of ancient Egypt. He is also the author of *Trapped*, an Indie Next List Selection, and *Plunked*, a New York Public Library best book of the year and an NPR Backseat Book Club selection. An editor at *Sports Illustrated Kids* for many years, he now writes full-time from his home in New York City. Learn more at [www.michaelnorthrop.net](http://www.michaelnorthrop.net).
