

Like, Lust, Love, Loss: Book 1 (Volume 1)

Black & white photography edition. This is Book 1: Like, Lust, Love, Loss. The first in a series of books of poetry by S.R. Lane. Being a soft hearted romantic, the majority of poems I've written are about some form of love. A look back at my journey thus far shows me that it was more about the sparks, ups & downs and moments of bliss. That each experience helps me become clearer & clearer on what I really do want. Like refining a delicate dance, practice makes perfect. Or as near perfect as one can get. Haven't gotten there yet, but I'm told it's incredible. As Ralph Waldo Emerson once said Life is a journey, not a destination. Therefore this book is about breathing in life as it comes, foraging a way through the murk and coming out the other side better for it. ~ S.R. Lane
