

Tennis: Love Ladies League Tennis (Delightful Insights and Instruction on Ladies Doubles Play, Strategies, and Fun)

Every week thousands of women across the country participate in ladies tennis league matches. From the least experienced tennis players to some of the most, all enjoy the friendly competition offered by league play. Fashion, food, and fun social interaction are all part of the mornings activities, besides the pure pleasure of running around a tennis court chasing a little yellow ball. Some of the finer points of league tennis are explained in this book and suggestions given. Balancing a team, choosing the right sides, court coverage, analyzing opponents, having the right attitude, expectations, and focusing are all covered in the most insightful and delightful way. League play offers more than just tennis. There are friendships to be made, exercise to be had, experiences and learning to be gathered; and no one leaves the court with less than love.
