

Samanthas Witchery: A Teen Spell Guide

Following the success of her teenage Oracle, the UK's answer to Sabrina the Teenage Witch has produced a teen spell guide to excite the younger generation of white magic fans. Samanthas Witchery shows how with positive thought and concentration, young people can improve their lives and achieve their dreams. A combination of more than 20 spells, simple rituals and ceremonies plus other witchy attributes such as palm reading and telepathy, this second book from the white witchlet is all set to take the magical world by storm!
