

Scarlett Undercover

Meet Scarlett, a smart, sarcastic fifteen-year-old, ready to take on crime in her hometown. When Scarlett agrees to investigate a local boys suicide, she figures shes in for an easy case and a quick buck. But it doesnt take long for suicide to start looking a lot like murder. As Scarlett finds herself deep in a world of cults, curses, and the seemingly supernatural, she discovers that her own family secrets may have more to do with the situation than she thinks...and that cracking the case could lead to solving her fathers murder. Jennifer Latham delivers a compelling story and a character to remember in this one-of-a-kind debut novel.
