

The Secret Doctrine of the Rosicrucians

Written under the unassuming pen-name Magus Incognito: the Master Unknown, Atkinson here offers a course in the wisdom of the classic mysteries, as passed down through the ages. An in-depth study of esoteric Rosicrucian society is heretofore illuminated. What is this brotherhood of the Cross de Roses? Where does it originate? Is this in fact the sacred inheritance of our Atlantean, and even more ancient Lemurian, forefathers? The esoteric code of the ages? All the answers to these questions, and several answers that the reader would have never expected, are given in this book. Full of the wisdom of ages that, apparently, has existed all along... waiting for the correct vessel; the right mind to unlock it. Now.
