Sandra Ross's Erotic Romance Vampire Stories Collection. In the Blood Part 2: Kinship to the Blood Among the Beings of the Macabre Night... In her is a kinship with the blood. His skin tone slightly paler than most, with a firm build and impressive height, Kane's raven-black hair and cerulean eyes ignite women with heated desire. Secret senses their inevitable meeting with caution as he leads her on with his supernatural charm. The night after Kane and Secret's first meeting amid shattered glass and psychic fallout, he continues to eye her from afar. One question is on his mind as he waits for their next meeting: Will she know who I am? Secret is no stranger to vampires. A nightwalker of New Orleans since her teenage years, she first sensed a vampire at the same time she realized she had a special knack for premonition. Not only is she an adept psychic, she also senses superhuman qualities in people when she sees them. Secret remembers her first meeting with a beautiful young vampire temptress, the one who had a mysterious fear of Secret. But Kane is unique—he is attracted to her like no other. Her preternatural abilities are exceptionally alluring to him, but since meeting him, Secret notices that vampires keep appearing on her doorstep, like they sense something they want in her blood... Is Secret in danger, or is she about to find her past, her present, and her future? A Halloween Awakening Part 2: Lilith's Lair. Things are always happening at Lilith's lair, especially on the Halloween. Lilith, an exotically beautiful vampire with dark locks and green eyes, owns Lilith's Lair. She regards with a certain kind of happiness Lucien's love life with the newly

awakened Chandler. But at the same time, she is somewhat dubious she will ever find the kind of love she needs with any one of the Undead. But then, she meets handsome Gavin, a newly awakened, whose Scottish drawl can send exciting tingles up her spine and can tighten up parts of her that have not been stroked for a long time. The one time she feels she is ready to indulge on her own merrymaking, Lilith feels a dangerous presence watching her again. It comes and goes for years, but this time, it seems to be staying. Does she know who's watching her? Lilith has a clue. It has something to do with her painful human life. After all these centuries, will she finally meet her father?
