

The Journal of John Wesley - Enhanced Version

Author, evangelist, preacher, organizer, theologian, and pietist John Wesley is arguably one of the most important Christian voices of the 18th century. We continue to be influenced by him nearly three centuries later. He was a founder of the Methodist movement, and was used by God to spread the gospel to countless souls. The Journal of John Wesley is composed of 50 years of Wesley's reflections. These writings offer a first person view of the thoughts, feelings, and prayers of a man whose intelligence and organizational skills were only surpassed by his enthusiasm for spreading the gospel of Jesus Christ. This edition features an artistic cover, a new promotional introduction, an index of scripture references, links for scripture references to the appropriate passages, and a hierarchical table of contents which makes it possible to navigate to any part of the book with a minimum of page turns.
