

## Seventeen Real Girls, Real-Life Stories: True Love

From love triangles and cheaters to summer romances, these stories will touch every teens heart. One seventeen-year-olds story talks of her sweetheart who joined the Army and was sent to the Middle East, and how his love letters kept their romance strong. In another, one girl learns (the hard way) how playing the field can only lead to heartache. Whether the ending is happy or sad, there is no doubt that love has changed these teens lives forever.
