

Sex Ed: A Sexual Health Primer for Teens and Young Adults

In an easily read, conversational tone, Sex Ed: A Sexual Health Primer for Teens and Young Adults presents essential sex-related information in a concise ebook. Some of the subjects covered are body image, sexuality and gender identity, pregnancy, sexually transmitted diseases, and of course, many aspects of sex itself. The aim is to provide basic but important information needed by teens and young adults in order to make reasoned and informed decisions about their romantic and sexual lives.
