Have you ever wondered what the opposite sex feels like to them? Did you ever want to trade bodies with a member of the opposite sex, just for a moment, when they reached the peak of passion? Tom wondered, but never experienced it until he found a magical stone from a mystical shop, a Labradorite. Men will read this xxx rated fantasy (Not deep literature for those of you who may be wondering or who are looking for such a thing. Cmon, this is erotica not Jung) to learn what a woman feels like during sex, shopping, dressing, or flirting at a bar with a striking man. Women will read it and attest to or even critique the accounts of how it feels to be a sensual, sensitive woman. Couples will read the hot sensual scenes out loud to each other and open the doors of communication about sexual issues and feelings. Shapeshifter is an innovative, creative, highly erotic story about the powers in this universe and the joy of gender. It will open your mind and soul to the powers and pleasures of the universe with its simple and erotic story.
